

Bullying and Cyber Safety

Creating a safe and healthy learning environment for every student!

The Dracut Public Schools is committed to creating a healthy and safe learning environment for every student in grades K-12. We have worked hard to produce this online link as a valuable resource for students, staff, parents and community members.

Please take the time to research and review our district wide plan and all of the additional resources provided.

Suggested Reading List (coming soon)

We've put together a list of important reading materials for students, staff, families and community members

Additional Important Resources

* MA Department of Ed. / Bullying Intervention Resources

*Legal limits on Confidential Information shared by School

Wired Safety: This is the world's largest Internet safety, help and education resource.

iKeepSafe: This site helps families have a safe and secure online experience. Resources include critical Internet safety content, including step-by-step tutorials for parents, videos for kids, tweens and teens and interviews with experts. Click on the "Resources" link for a variety of options from texting, cyber bullying to online safety.

NetSmartz: National Center for Missing and Exploited Children. There is information for parents, educators, teens and children. There are free downloads for back to school safety for parents. The site includes links for teens (middle school) to hear true stories and first hand accounts.

Massachusetts Aggression Reduction Center (MARC)

Topics include cyber bullying, recognition, social networking, online safety, Face book. Select the "Parents and Public" link to access PDF files covering a wide range of topics.

Teen Dating Violence

Massachusetts Medical Society presents "Teen Dating Violence: What Parents Need to Know" - contains statistics, information on warning signs and tips for parents
